Re: UFCW Locals 051, 7, and 1036, et al.
Case 16-CB-003850

Dear Mr. Rosenfeld:

This letter acknowledges receipt of the Respondent's Further Motion to Grant Motion in light of Failure of Glenn Taubman to Demonstrate Any Standing or Interest in this Matter, dated September 9, 2019. Mr. Taubman's interest in this matter arises from the fact that he is both the recipient of the Respondent's "offensive epithets" and is also employed at the organization at which these epithets are directed. Moreover, the Respondent has not provided any evidence indicating that Mr. Taubman no longer represents the Charging Parties in this matter. Accordingly, there is no basis to strike Mr. Taubman's opposition in this matter.

Accordingly, the Further Motion to Grant Motion in light of Failure of Glenn Taubman to Demonstrate Any Standing or Interest in this Matter is denied.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
